

Application Form *(download the form before filling in)*

Company name

Name of contact person

Title of your innovation

Start of development (month, year)

(Expected) market introduction (month, year)

Could you describe your innovation in a few sentences? (max 30 words)

1. Motivation

Why should your innovation win the Innovation Award 2017? Try to be specific on the breakthrough/progress you have reached in 2017. (Max 100 words)

2. Innovativeness

Why is your product innovative or a game changer? What makes your innovation special compared to the existing market standard?

3. Economic and social impact

Which problem are you solving for who?
What is the economic and/or social impact of your innovation (in terms of efficiency, cost savings, safety, ecology, etc.)?

4. Feasibility and applicability

Do you have some evidence that it will work and that the market will use your application?

5. Entrepreneurship

How are you going to enroll your innovation and introduce or upscale it to the market?
